ABOUT NOIDA INTERNATIONAL UNIVERSITY

Noida International University (NIU) is a UGC recognized university sponsored by Maruti Educational Trust. Established in the year 2010, NIU has been awarded 'Achiever's Award in Higher Education 2015' by Hindustan Group. The award was presented by The Hon'ble Governor of Uttar Pradesh. NIU has also been awarded as 'Best Upcoming Private University' by ASSOCHAM Education Summit in 2015 and Best Higher Education University of the Year North in 2016 again by ASSOCHAM. The awards were presented by The Hon'ble Minister of State for Human Resource Development, Government of India.

The university has students from 25 countries having joined various programs in eleven schools including Engineering, Science, Medical, Business Management, Architecture, Law, Liberal Arts, Fine Arts, and Education. University is equipped with State of Art laboratories and qualified professionals. NIU has made a mark in the education scenario in India & abroad. NIU has collaboration with leading educational institutions across the globe to facilitate a constant exchange of students & faculty. Some of these are as follows: King's University, Canada focuses mainly on BBA and MBA course NYIT (New York Institute of Technology) Covers mainly engineering programmes. University of Delhi focuses on Research programmes and Research Collaboration with University of Tabuk, Saudi Arabia is in the pipeline. Concrete plans are being drawn where students and scholars of NIU can join these universities and organizations on a short term or periodic basis to enhance their skills and expertise over a particular subject.

ABOUT SCHOOL OF EDUCATION

The School of Education is endowed with quality education and inculcates discipline and dedication in our prospective teachers to lift the responsibilities of the nation. The Department of Education, Noida International University started in 2014 with an objective to bring out effective and efficient school teachers besides ensuring quality and need based researches in the field of Education. At present, the School of Education offers Bachelor of Education (B.Ed), Master of Education (M.A), M.Phil. & Ph.D. Programmes in Education (Both Full-time & Part time). The aim is not only to focus on imparting subject knowledge and skills, but also to mould the students with better conduct and character committed to the societal needs and national development.

ABOUT ARSEAM FOUNDATION

Academic Research in Science, Engineering, Art and Management (ARSEAM) Foundation is a non-profit organisation for the promotion and development of research in the field of Science, Engineering, Art & Management in particular. The main goal of the Foundation is to provide a common platform to the academicians, Research Scholars, Students, Industrialists, Professionals and Practitioners for the exchange of ideas on the latest business innovations and Technological advancement to conduct more significant and fruitful research contributing in the development of society, Nation and World as a whole.

ABOUT THE CONFERENCE

A joint conference 'ICTETB 18' is being organised by ARSEAM Foundation, New Delhi, India and School of Education, Noida International University, G.B. Nagar, U.P.
