INTERNATIONAL ADMISSION

2022-23

www.niu.edu.in

WELCOME NOTE

CHAIRMAN

"Education is the most powerful weapon which you can use to change the world". -Nelson Mandela

Noida International University was established with the motive to provide quality education to international students. The University strives to become a beacon of world-class education by creating a diverse learning environment for students that is conducive to their personal and professional growth.

To fulfil its ambition of being the pioneer university creating a diverse educational ecosystem for international students, Noida International university has devised a system that caters to the needs of international students. It involves weaving up traditional and modern learning processes and transforming NIU into a multi-cultural abode for students aspire to receive a high-quality education in their field of interest from all across the globe. With 275+ renowned faculty members and students hailing from more than 30 nations, Noida International University has set a benchmark for cultural and regional diversity.

NIU has been a strong advocate of uplifting the medical infrastructure in the country and to prove its commitment towards providing affordable healthcare facilities to the masses, **Noida International Institute of Medical Sciences** was set up as a part of NIU. The University also offers a variety of Paramedical courses to produce skilled medical professionals who can help elevate the quality of healthcare services provided globally.

Here, at NIU, we focus on creating a dynamic teaching pedagogy for students making their learning experience superlative and exposing them to the possibilities beyond the grasp of a layman. Our dedicated team of educators make sure that the course curriculum designed reflects the core values of this esteemed organization while being in sync with the ever-changing industry methodology and standards.

At Noida International University, we believe that education is the most powerful weapon to bring a paradigm shift in an individual's life and society as a whole which is quite evident from our tagline "Experience the Transformation at NIU".

"Let NIU be your charioteer and guide you throughout this fascinating journey into the world of education".

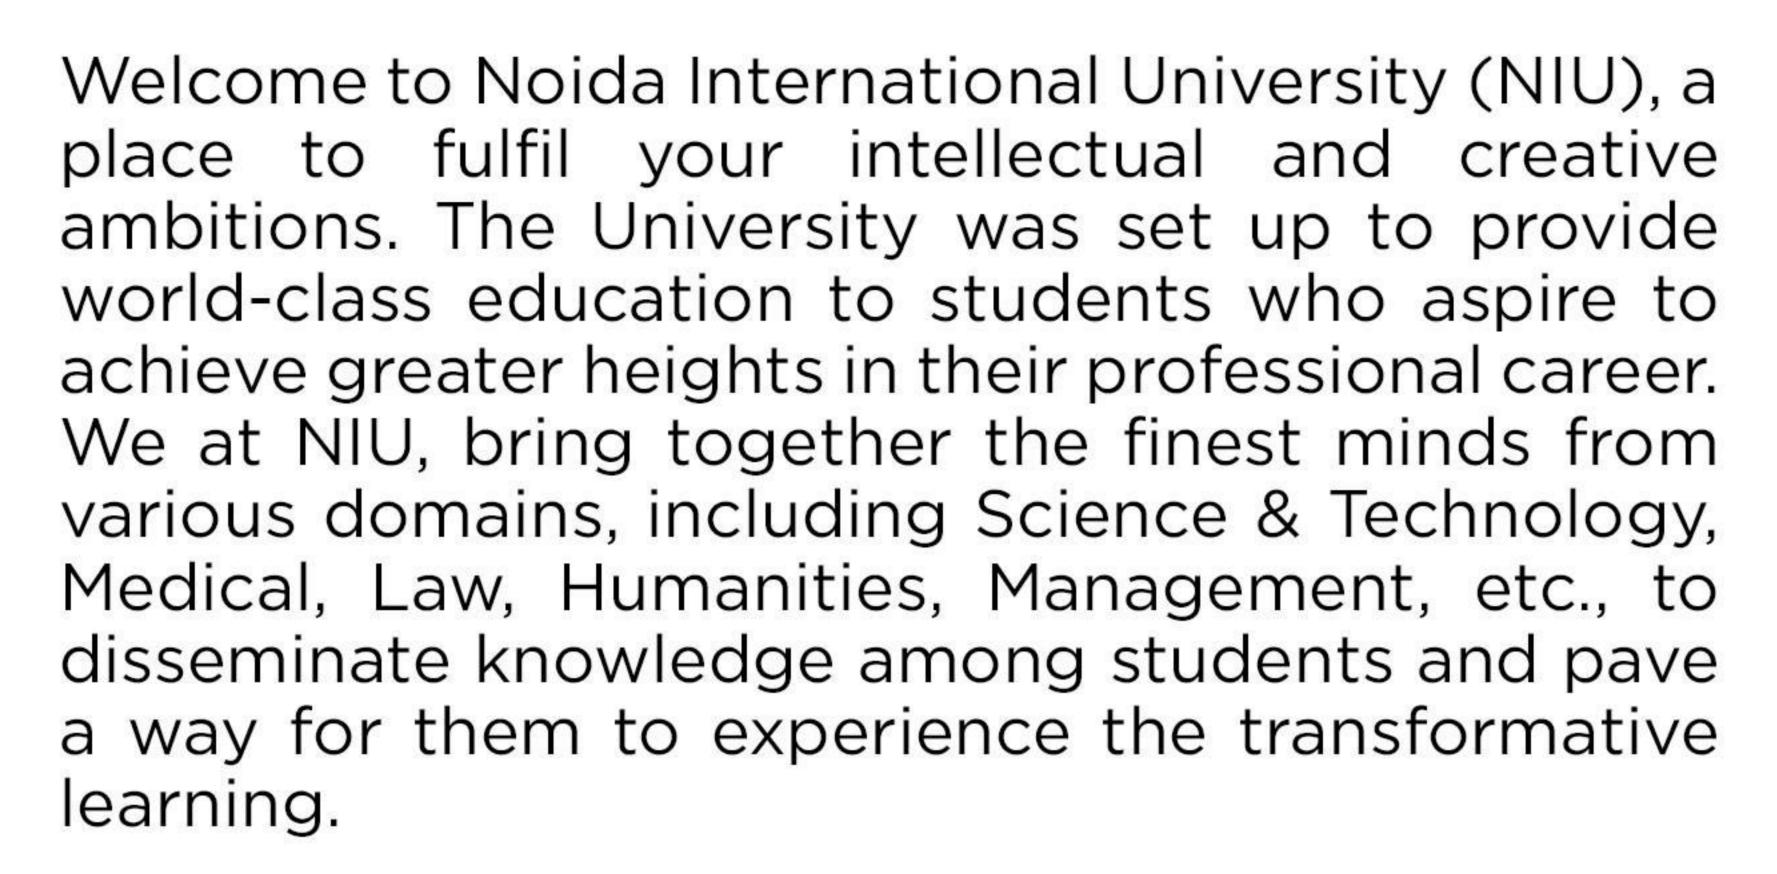

Dr. Devesh Kumar Singh

Chairman, Noida International University

WELCOME NOTE

CHANCELLOR

Our vision is to position NIU as one of the top universities focusing on creating a multi-cultured campus through student exchange programmes and giving international students a chance to be a part of NIU, who are in search of world-class education.

Here at NIU, we facilitate diverse learning environment to students visiting the campus from all across the globe through culmination of traditional teaching practices amalgamated with the use of modern technology which makes students' learning experience exciting and engaging at the same time. Our course structure is designed and modified as per the changing industry dynamics.

Noida International University, located opposite to the Formula One Race Track, is spread across 75 acre of land and boasts of world-class infrastructure. The University provides facilities, including modern classrooms, well-equipped labs, and medical and sports facilities.

At present, Noida International University accommodates students from 30+ countries and has an in-campus Institute of Medical Sciences and Hospital named Noida International Institute of Medical Sciences, a 350+ bedded multispecialty hospital offering MBBS and various Allied Health Sciences programmes.

Dr. Vikram Singh

Chancellor, Noida International University

WELCOME NOTE

VICE CHANCELLOR

With our country's fast-paced advancement in the education sector, the need for such institutions has increased that can not only provide students with education relevant to the current industry norms but also produce skilled leaders capable of shaping society.

Keeping in mind the ever-changing requirement of the education sector, Noida International University was established a decade ago. The vision behind setting up this grandeur institution was to bridge the gap between academia and industry requirements. The emphasis of the University is on personality development, innovation and creativity, and focus on eradicating long-standing issues related to gender, race culture, etc.

University is the knowledge server focuses on dissemination of knowledge, academics, research, innovation for the creation of intellectual ability, Continuing Medical Education and management development programmes. To establish itself as one of the top Universities on a global scale, NIU has opened its door to international students and also launched various student exchange programmes to help students visit international institutes of repute and gain the desired knowledge. NIU is focusing on National Education Policy on five pillars affordability, accessibility, quality, equity and accountability to ensure continual learning.

I welcome you all to be a part of NIU for a bright future to emerge as a good human being along with a skilled professional.

Ima Bharamas Prof (Dr.) Uma Bhardwaj

Vice Chancellor,

Noida International University

WHY STUDY IN INDIA?

"Education is the manifestation of perfection present already in a man. Divinity is the manifestation of the religion already in man". -Swami Vivekananda

Birthplace of Vedas and great minds like Chanakya, Vivekananda, Mahatma Gandhi and former President of India APJ Abdul Kalam, India is known for its values, divinity, diversity, faith and education. Our thousand years old legacy is an amalgamation of superior quality of education mixed with spirituality at its core.

Apart from being a home to cultural and religious marvels like Taj Mahal, Akshardham, Ajanta Caves, etc., India also has an educational ecosystem of more than 340 universities and 16,500 colleges. This cluster of universities and colleges has helped India to become the second-largest education system in the world.

Over the years, the education system of Indian has progressed leaps and bounds, and today some of the great names in the education domain, that echo on the global stage, belong to India.

Noida International University, popularly known as NIU, is one such educational institution in India which not only strives to uplift the level of education in India, but aspires to become a unique destination for international students searching for world-class education and diverse curriculum.

Located at the heart of nation's capital, NIU provides unlimited access to domestic as well as international students who are keen to know about India's heritage and cultural diversity.

- Accommodation and Transport facilities
- 6 International Student Exchange Program
- 7 Noida International Institute of Medical Sciences
- 8 Up to 100% Scholarships
- 9) 100% Placement Assistance

30+ PROMINENT GLOBAL NETWORKING & COLLABORATIONS

Noida International University has collaborated with various domestic and international institutions to provide students with the opportunity to study in a diverse learning environment through NIU's student exchange programme. Mentioned below are the names of some of the prominent collaborators.

NIU PRIDE & EXCELLENCE

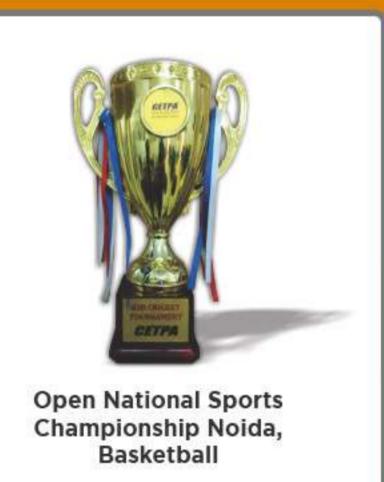

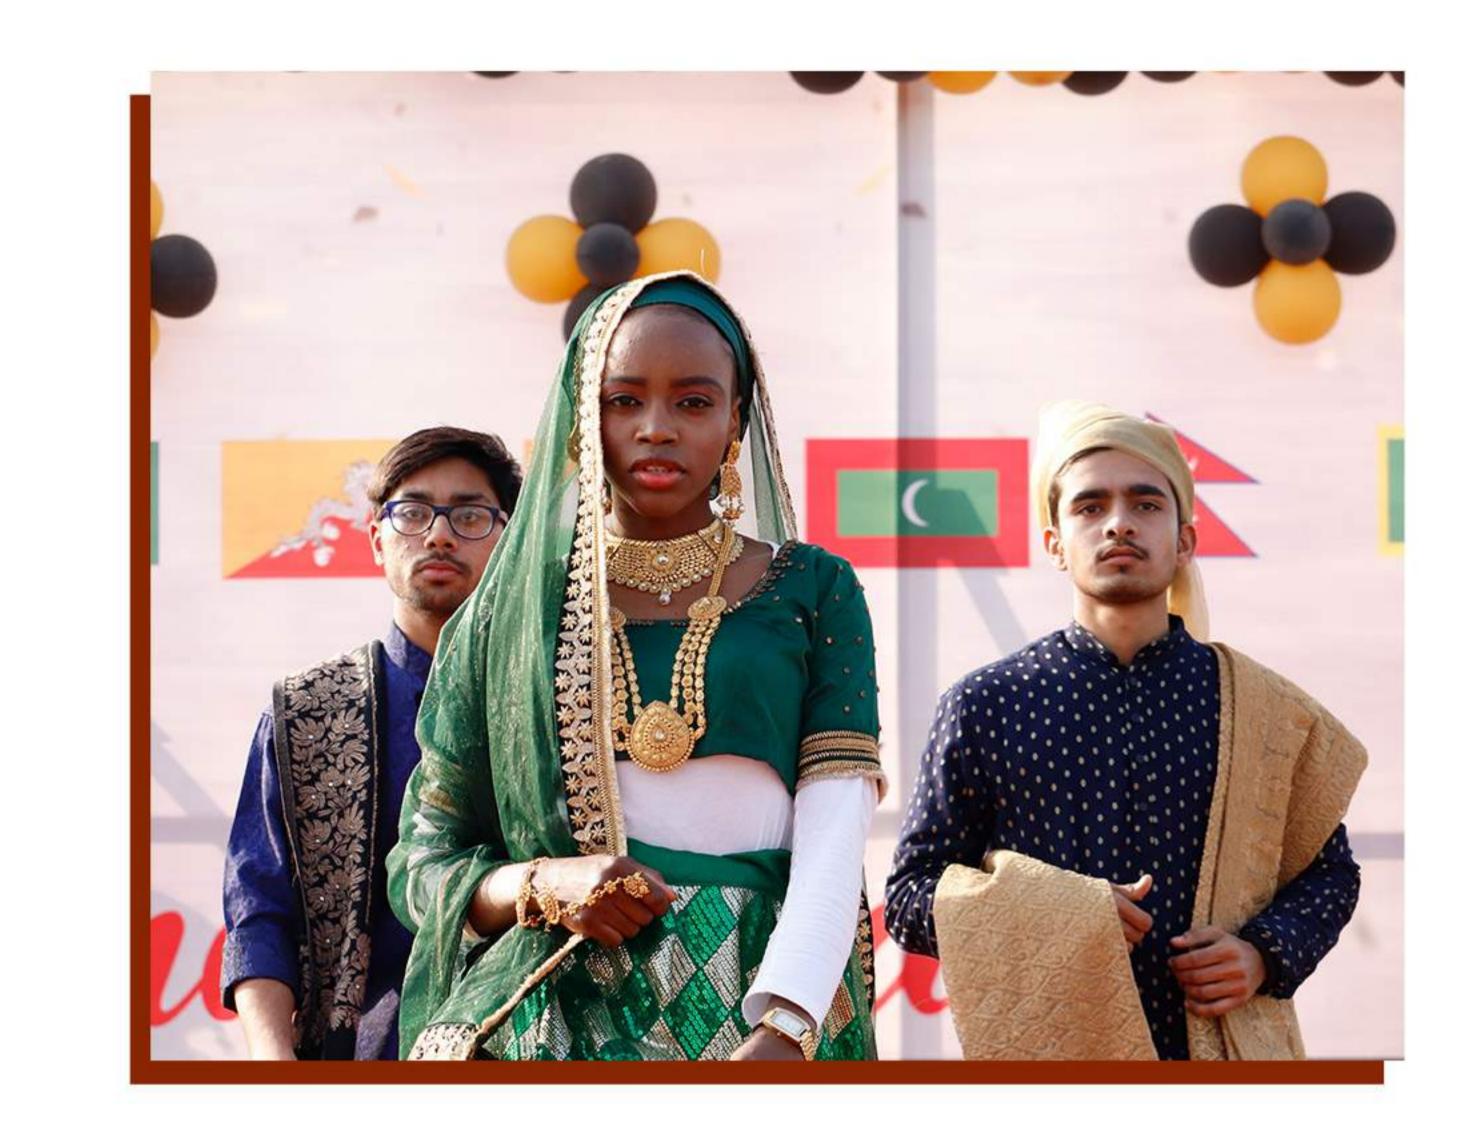

INTERNATIONAL STUDENT INFORMATION

Noida International University, Delhi, NCR agrees in principle to admit Foreign Nationals/NRI students to any of our schools which offer Under-graduate, Post-graduate and Ph.D. programmes in different fields on an annual basis to provide educational opportunities to Foreign Nationals/NRI students.

A Foreign National:

Means an Individual who has citizenship of a foreign country (Citizens of all counties other than India) and not having the status of "NRI" and/or "Person of Indian Origin" (PIO).

Person of Indian Origin:

Means a Person having foreign citizenship (Except Pakistan and Bangladesh) without "NRI" Status, but who holds a foreign passport at the time of sending application, consideration for admission and during the period of his study and he/she or anyone/both of his/her parent(s) or anyone/both of his/her grandparent(s) is (or was) are (or were) citizen(s) of India by virtue of the provisions of the constitution of India or section 2(b) of citizenship Act 1955 (Act No. 57 of

Non-Resident Indians (NRI):

"NRI" in this context means Non-Resident Indian as defined in Income Tax Act, 1961 with the following clarifications: An individual is Non-Resident when he is "not a resident" or who is "not ordinarily resident". A person is treated as "not ordinarily resident" when any of the following conditions is satisfied: If he/she has not been resident in India in nine out of ten preceding years; or If he/she has not been in India for a period of 730 days or more during the preceding seven years.

Status of Foreign Nationals/NRI:

Foreign Nationals /NRI students are categorized as follows:

- Sponsored by the Govt. of India (through ICCR) on cultural exchange program.
- Sponsored by the home country of the concerned Foreign Nationals/NRI students and/or funding agencies.
- Self-financing direct entry (with the clearance of Govt. of India)
- d NRI students.

Eligibility:

The qualifications required for eligibility for admission to different programs can be checked in detail from the information brochure or university website. The minimum educational qualification for admission of Foreign Nationals/NRI in various programs is same as for Indians. Only those students who have qualified from Foreign Universities or Boards of Higher Education, recognized as equivalent by the Association of Indian Universities (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence.

Procedure to apply for the Equivalence Certificate

NRI/Foreign students should attach an Equivalence Certificate with the admission application form. They can procure same from the Association of Indian Universities (AIU), www.aiuweb.org.

Students are advised to send the following documents to the Association of Indian Universities for obtaining the Equivalence Certificate:

- Degree/Certificate together along with year-wise Academic Transcript duly authenticated by the Indian Embassy in the Country or its concerned Foreign Mission in India.
- Accreditation status of the University/Institute which the student has last attended.
- Copies of the academic certificates from Higher Secondary onwards (as per the requirement).

The Service Charge for issuing the Equivalence Certificate as applicable is payable through Demand Draft in favor of "Association of Indian Universities, New Delhi".

The onus of Certification for Equivalence from AIU is on the candidate and application will be considered only after the Equivalence Certificate is submitted.

No-Objection Certificate

Foreign Nationals/NRI students do not require to submit a No Objection Certificate for joining professional courses. However, all Foreign Nationals/NRI students willing to undertake any research work or join a PhD program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and must be on the research visa endorsed to this institution.

Medical Test

All Foreign Nationals/NRI students will have to undergo a medical fitness test before taking final admission. Medical test report should show that the student does not have any contagious or infectious diseases including hepatitis B, chest infections and heart disease. Chest X-ray must be attached with the report.

Medical Insurance

It is advised that all Foreign Nationals/NRI students take a medical insurance policy to meet the expenses of medical treatments (which are not available in the university health center) during the stay at the university.

A copy of the said insurance policy should be submitted at the time of final admission. There is a medical facility available on campus and further medical aid will be made available from hospitals nearby.

Proficiency in English

- a) The student must have passed the qualifying examination in English medium.
- b) The student must have a valid score in proficiency test in English like TOFEL and IELTS.

Discipline:

The international students should abide by all the rules and regulations of NIU and the code of conduct as applicable to Indian students enrolled in the same course.

FRRO Registration

International students staying in India for more than 6 months are required to get themselves registered within 14 days of their arrival, at the nearest office of the Foreigners Regional Registration Office (FRRO). Those who have PIO cards or OCI are exempted from the registration requirement.

The following documents are required for registration:

- Photocopy of the passport and initial visa
- Four photographs of the applicant
- Details of residence in India
- Bonafide certificate from the university/college/institution
- Proof of Bank account/sufficient funds for non-scholarship students
- Those who are visiting India on a long-term visa of more than one year and are in the age group of 15 to 60 years require HIV test report from one of the WHO recognized institutions.
- Copy of the marriage certificate, in case of those seeking extension of stay on grounds of being the spouse of an Indian national.
- Certificate from the University, College or Institution in case of student visa.

- All Foreign/NRI students will be required to register themselves with the concerned District Foreigners Registration Officer/Foreigners Regional Registration Officers within 14 days of their first arrival in India.
- Foreigners coming from or through yellow fever countries must come with valid vaccination certificate.
- For FAQs about FRRO, please click https://indianfrro.gov.in/eservices/home.jsp
- For Online registration and details please click https://indianfrro.gov.in/eservices/home.jsp

ADMISSION PROCEDURE FOR INTERNATIONAL STUDENTS:

Thank you for your interest in Noida International University, this section explains the complete procedure of the application process. It makes it simple for the students to navigate through the bottlenecks faced while filling the application form. It also mentions the documents required for international admissions.

Step 1

Complete the Online/Offline application form and submit the required documents

Applicants have to fill in their online application form by clicking on the below link:

https://niu.edu.in/registration/

Applicants must upload the below mentioned documents with the official seal, UG and PG transcripts along with their online application form or email the same on:

internationaladmissions@niu.edu.in

Documents list is given below-

- Class 10/ X / SSC Marksheet / 'O' Level
 Certificate or equivalent mark-sheet
- Class 10+2/ XII / HSSC / Intermediate
 Marksheet / 'A' Level Certificate or
 equivalent mark-sheet for UG & PG courses
- Graduation or equivalent mark-sheet for PG courses
- Graduation or equivalent mark-sheet for Post Graduate courses
- If required Certification for Equivalence from AIU
- Transfer / Migration certificate (if any)
- Photocopy of Passport (for International Students)
- National ID Card
- 4 recent Passport size Photos
- *Transcripts in languages other than English are not acceptable

Students can complete the application and payment process in online and offline mode. It is recommended that the applications should be completed in all aspects and submitted for admission along with the required documents. If your documents are found missing, you will be notified immediately and your application will not be reviewed until they are received. The same information is also available on the official website.

Step 2

Pay your application fee

When you submit your online application form, you will need to pay an application fee of 17 USD / INR 1,100 (non-refundable) via net banking/credit card/debit card.

(as per the bank details and online payment link mentioned below).

Step 3

Pay your Registration fee

Students meeting the eligibility criteria as prescribed in the admission prospectus would be considered for admission.

Non-refundable registration fee of 450 USD / INR 30,000 will be charged for admission. (as per the bank details and online payment link mentioned below)

Note: - Details of the fee deposited by the candidate must immediately be furnished to the admission department through email at international admissions@niu.edu.in with the candidate's name and course to which admitted, a scanned copy of the bank Receipt, etc.

Step 4

Offer of admission

Provisional admission letter and bonafide letter for visa purpose will be issued once the payment is received.

After obtaining the provisional admission letter, you may apply for the visa.

You have to deposit the full fee to complete the admission process.

All the Foreign Nationals/NRI students will require a student visa endorsed to only Noida International University, Delhi, NCR for joining full time programs. No other endorsement is acceptable. The visa should be valid for the prescribed duration of the course.

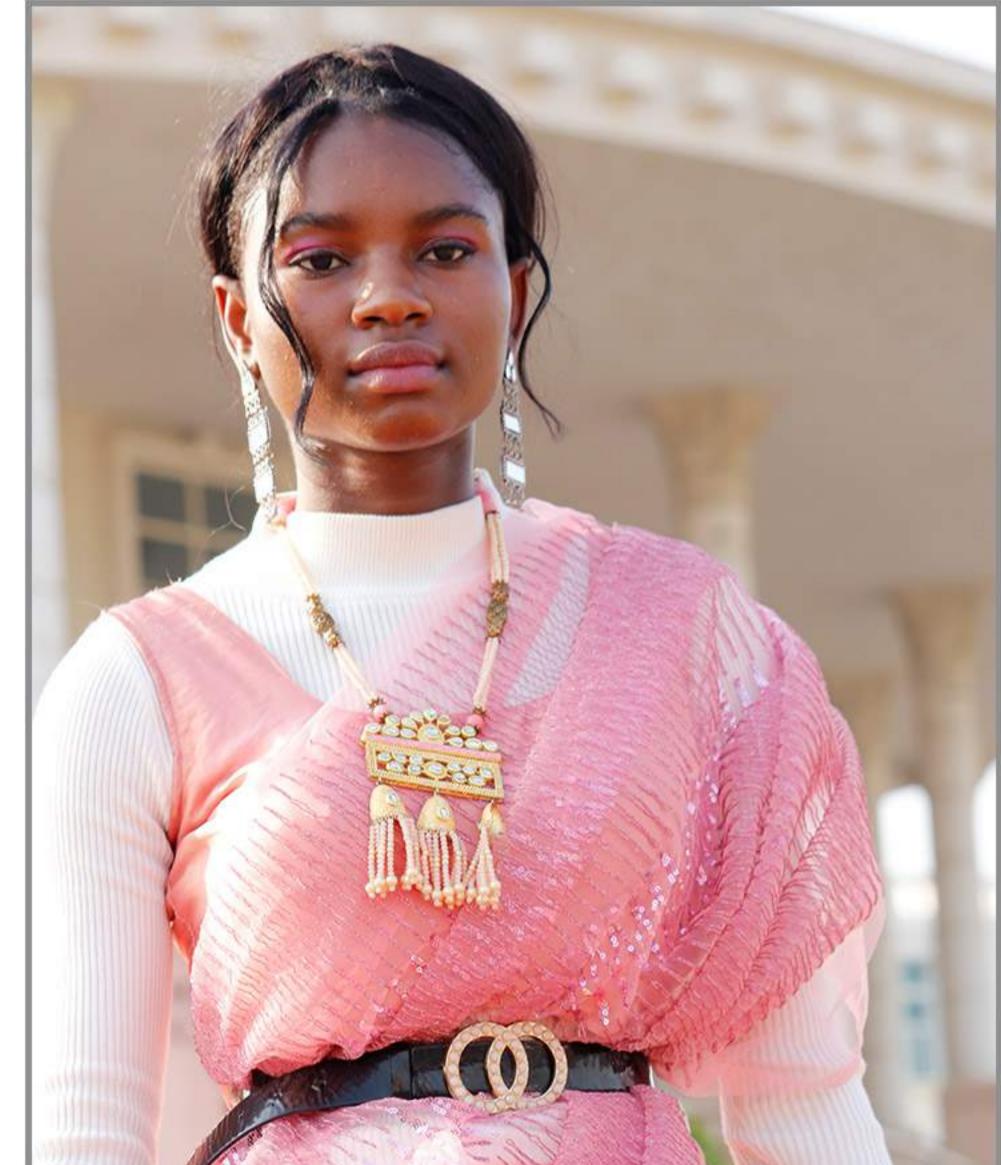

Step 5

Reporting to Campus

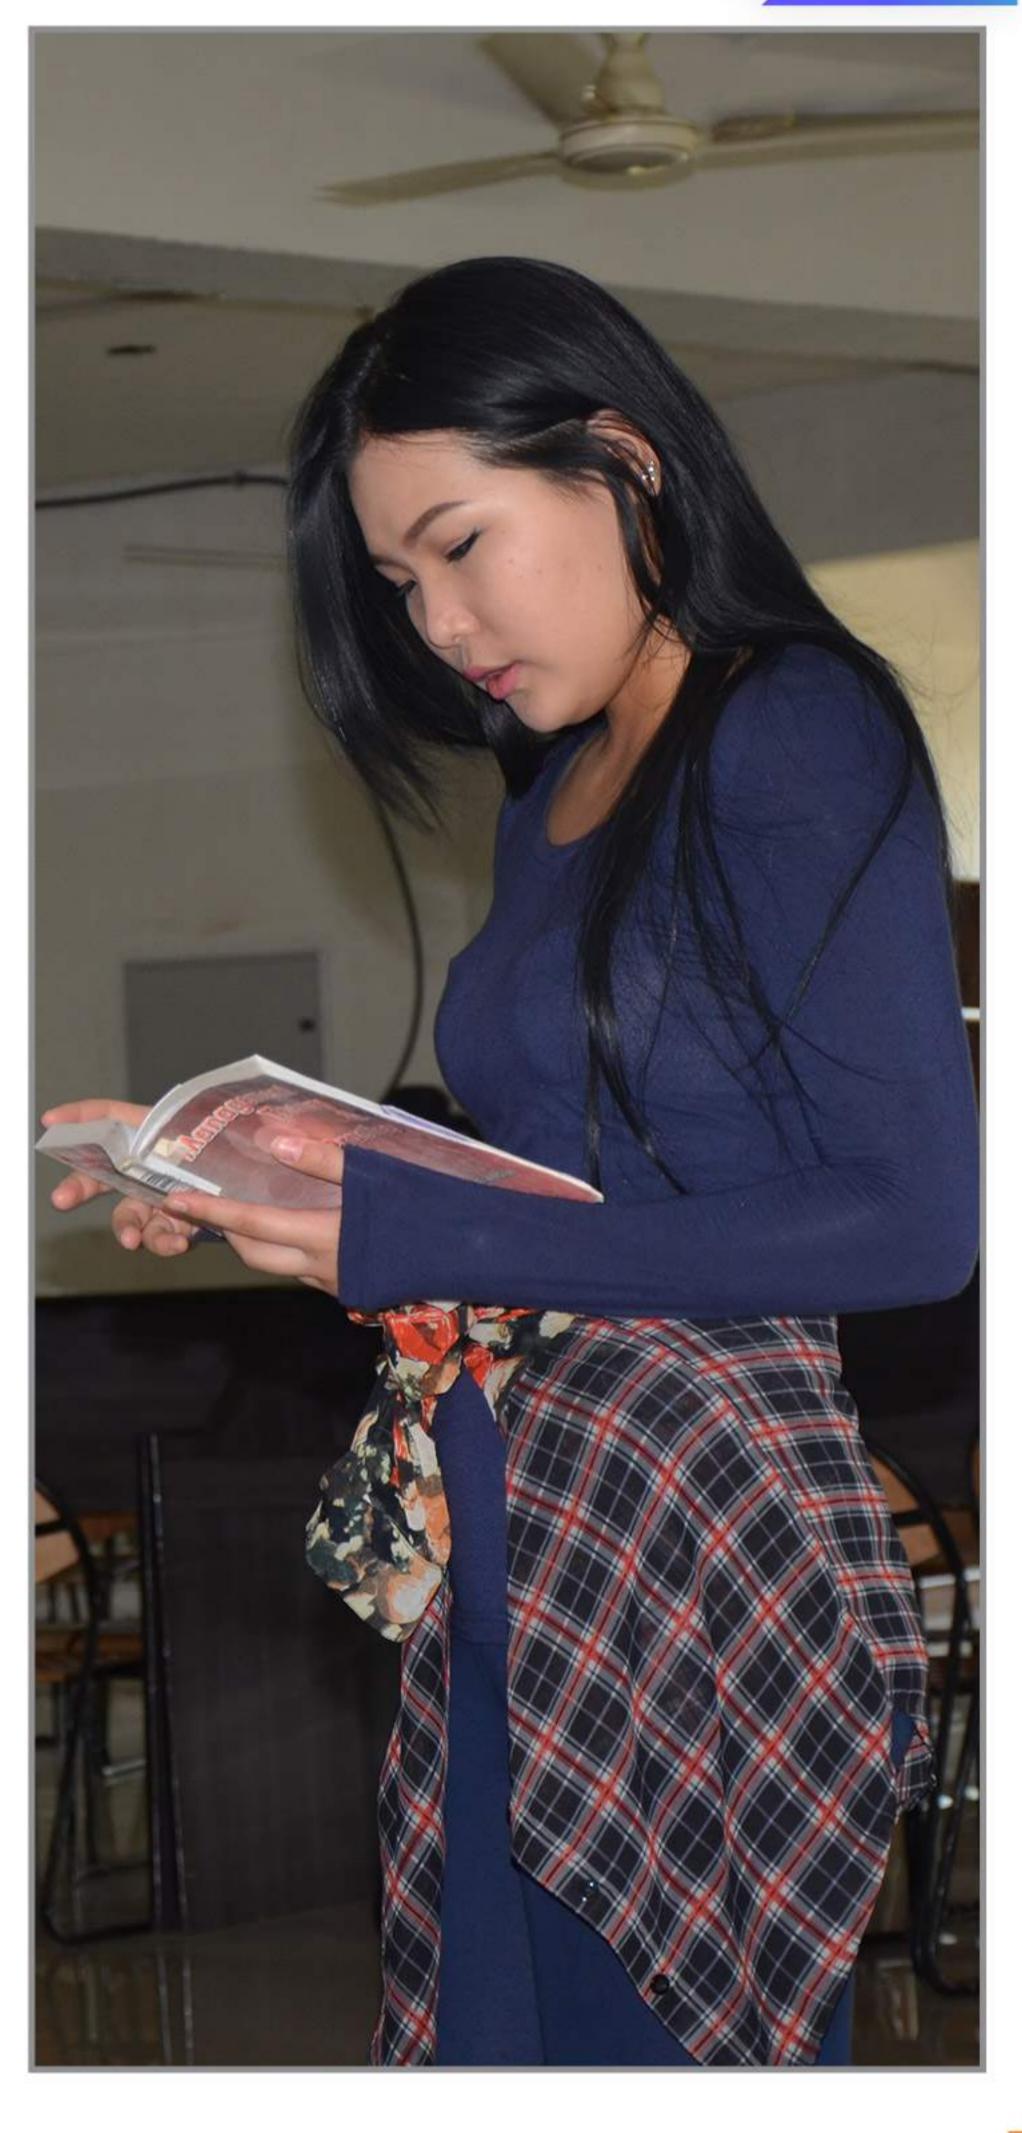

On arrivals students have to submit their original documents in registrar office for verification purpose to confirm the admission.

TESTIMONIALS

Chioma Nwafor (BBA LLB) NIGERIA

I am an 8th semester student of School of Law and Legal Affairs in BBA LLB. My experience so far in NIU has been awesome. There is no discrimination of foreigner's, everyone is welcome at NIU and that is good. The lectures are also good as they put all effort to make everyone a successful student. This is a very nice university and I will encourage everyone for seeking admission at NIU as I have so many beautiful memories with NIU.

Fasihullah Ghafoori MA (Public Administration) AFGHANISTAN

I am a 1st year MA student. One of my friend recommend NIU as he is also studying here since 2019. After I joined NIU I am enjoying the class lectures and the learning methods are quite interesting. The college campus is also well maintained. Now I can say with pride that I am a student of NIU.

Mayuri Dilani Jayampath (M.PHIL-Management) SRI LANKA

I am pursuing M.Phil from NIU. It is a great institution and I am impressed with the kind of support we get from our lecturers. Our efforts are really appreciated.

Nungi Munginda Kevin (BBA) CONGO

My experience at Noida International University has been very good. It helped me to grow as a person. Also, the diverse learning environment enabled me to learn about different cultures and believe in unity irrespective of colour and country.

Nyarath John Nyawelo Akol (BBA) SOUTH SUDANESE

I am in my first year of BBA program. My experience with NIU is very good. The learning process is also very interesting. Experienced good teachers are also there. Colleagues are also very friendly. I am glad to be a student of NIU.

Valdimiro Manduvo Conde Dunge (B.Tech) ANGOLA

I am a 4th year B.Tech Student. My experience with NIU is very good. I have learned many things from here. All the teachers are very polite to us and also very talented in terms of teaching. The college campus is also well maintained. I have so many beautiful memories with NIU.

Benedicta Onoye Ochumbia

(Ph.D) NIGERIA

I am a student of NIU. I have chosen this university because it's the best among other university. The environment of the university is so conductive and its very aesthetic. The teachers and the teaching method is so soft and explanatory. Students get everything they desire at a place. Its also a stress free school. All the teachers are well qualified. I love my university very much.

ESNART SAINI
B.SC CARDIAC TECHNOLOGY, LUSAKA, ZAMBIA

It is a great experience studying at NIU, my experience at NIU has been amazing. I have found it easy to interact with my lecturers. You should consider NIU if you wish to study in India. I promise you will not regret your decision.

Yaser Sulaiman (BMLT) YEMEN

It is one of the best universities in India. All the teachers and friends are very helpful. Education system is also very interesting. I am very happy to be a part of this university.

Nichole Tanatskia Mutomera (BBA) ZIMBABWE

My experience at Noida International University has been wonderful. It helped me grow as an individual. The lecturers have very good communication skills. International students are also very friendly in all aspects.

Mamlakat (MPH) TAJIKISTAN

I chose NIU for my masters because it has good learning facilities and the faculty members are so helpful and always available to guide us through our academics. My experience so far has been good. I would recommend NIU to anyone who wishes to study in India.

PRE ARRIVAL BRIEFING FOR INTERNATIONAL STUDENTS:

Documents required for the journey

- Passport Size Photographs (approx. 15 no's)
- Driving License
- Enough money to cover the costs of your first few days until you have opened a bank account
- Bring one set of your national attire as you might need it at functions in the University.
- keep all important documents in soft copy and leave some photocopies of all your important documents with your parents or friend for safekeeping.
- Make sure that you bring the Admission Letter issued by the University along with all the required Certificates/Degrees and Transcripts (in original)

PACKING

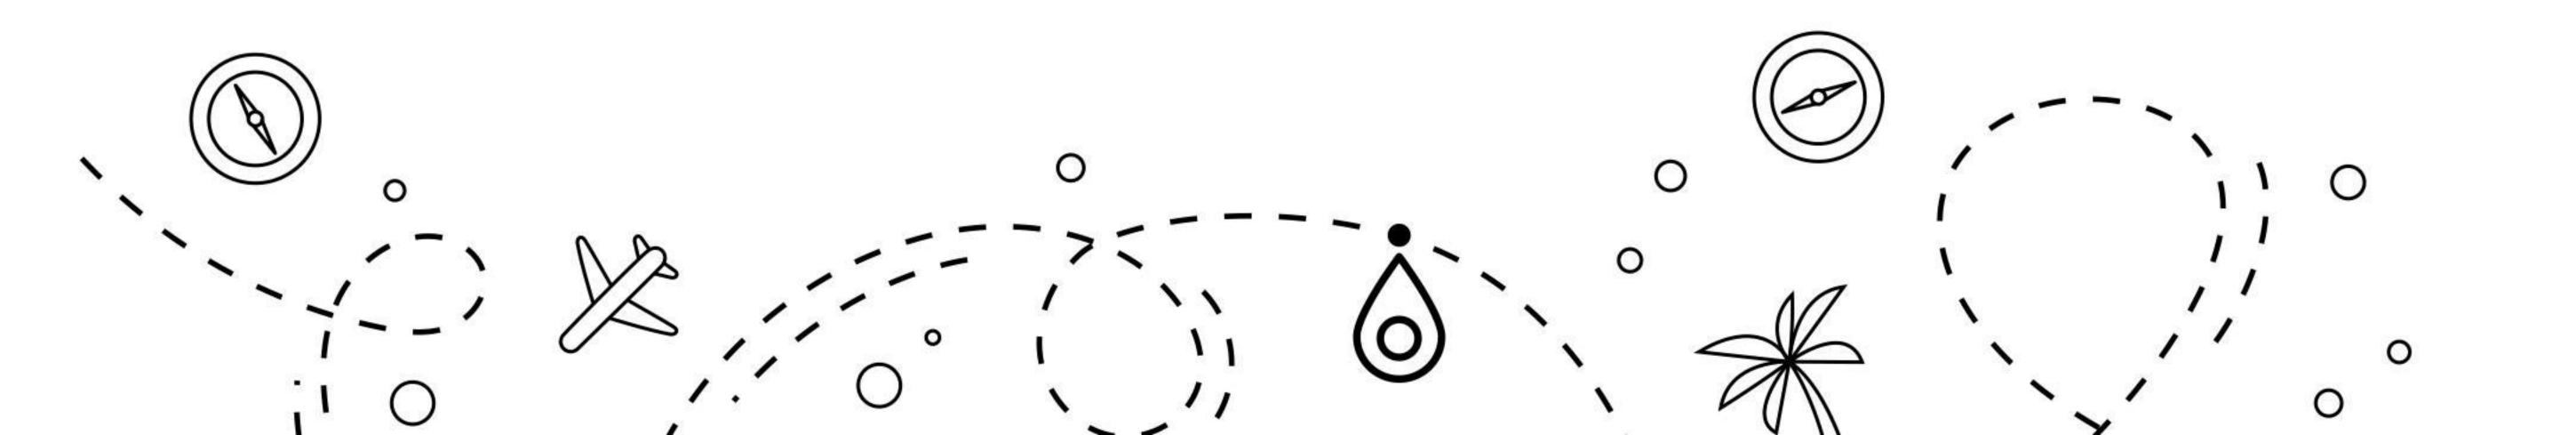

Many airlines have a restrictive weight or size allowance, so check with your airline before you leave. You should have enough warm clothing for your flight and subsequent stay in Noida for the winter months.

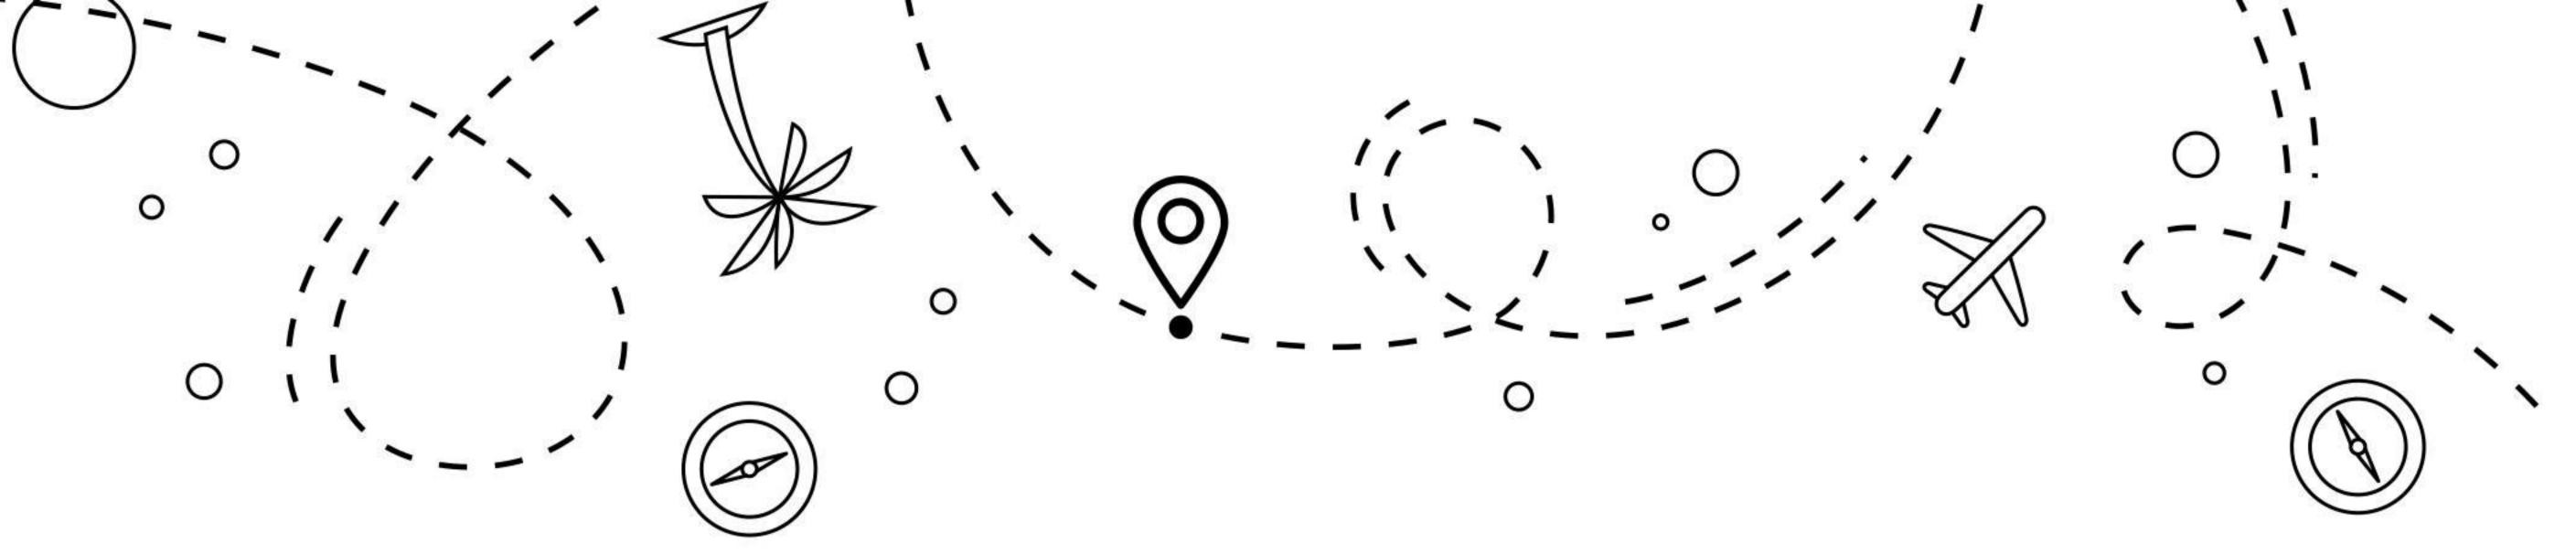

VACCINATION

Make sure that you have taken all the required vaccinations like Yellow Fever, Typhoid Vaccine, Hepatitis Vaccine, etc., to avoid medical complications while you are in India. International students are advised to get a medical insurance

TEMPERATURE

Delhi's climate varies depending on the season you visit the country's capital. It is very hot in Summer (April-July) and cold in Winter (December-January). The average temperature can vary from 25°C to 45°C during Summer and 22°C to 5°C during Winter. In Summer, adequate precautions need to be taken, to avoid the intense heat, such as wearing light cotton clothing, wearing a hat or sunshade while going outdoors and drinking plenty of liquids. In Winters, wearing warm or woollen clothing will protect you from the cold.

ARRIVAL IN DELHI - INDRA GANDHI INTERNATIONAL (IGI) AIRPORT

To reach NIU, one has to board a flight till Delhi. On arrival at IGI Airport-New Delhi, private cabs can be hired to reach NIU. This is one of the most convenient ways to reach NIU from any part of India or abroad

GENERAL INFORMATION:

- Confirmation of accommodation you have booked including full address and telephone number. Make sure you inform International Division at least one week prior to arrival.
- You can carry all your money in form of Traveler's Cheque or you can use International Debit/Credit Cards.

OPENING AN INDIAN BANK ACCOUNT

It is important that you have enough money to last until you have opened a bank account, which can take a little time. For opening a Bank Account in Greater Noida, you may need the following documents:

Copy of Passport Unconditional Offer Letter

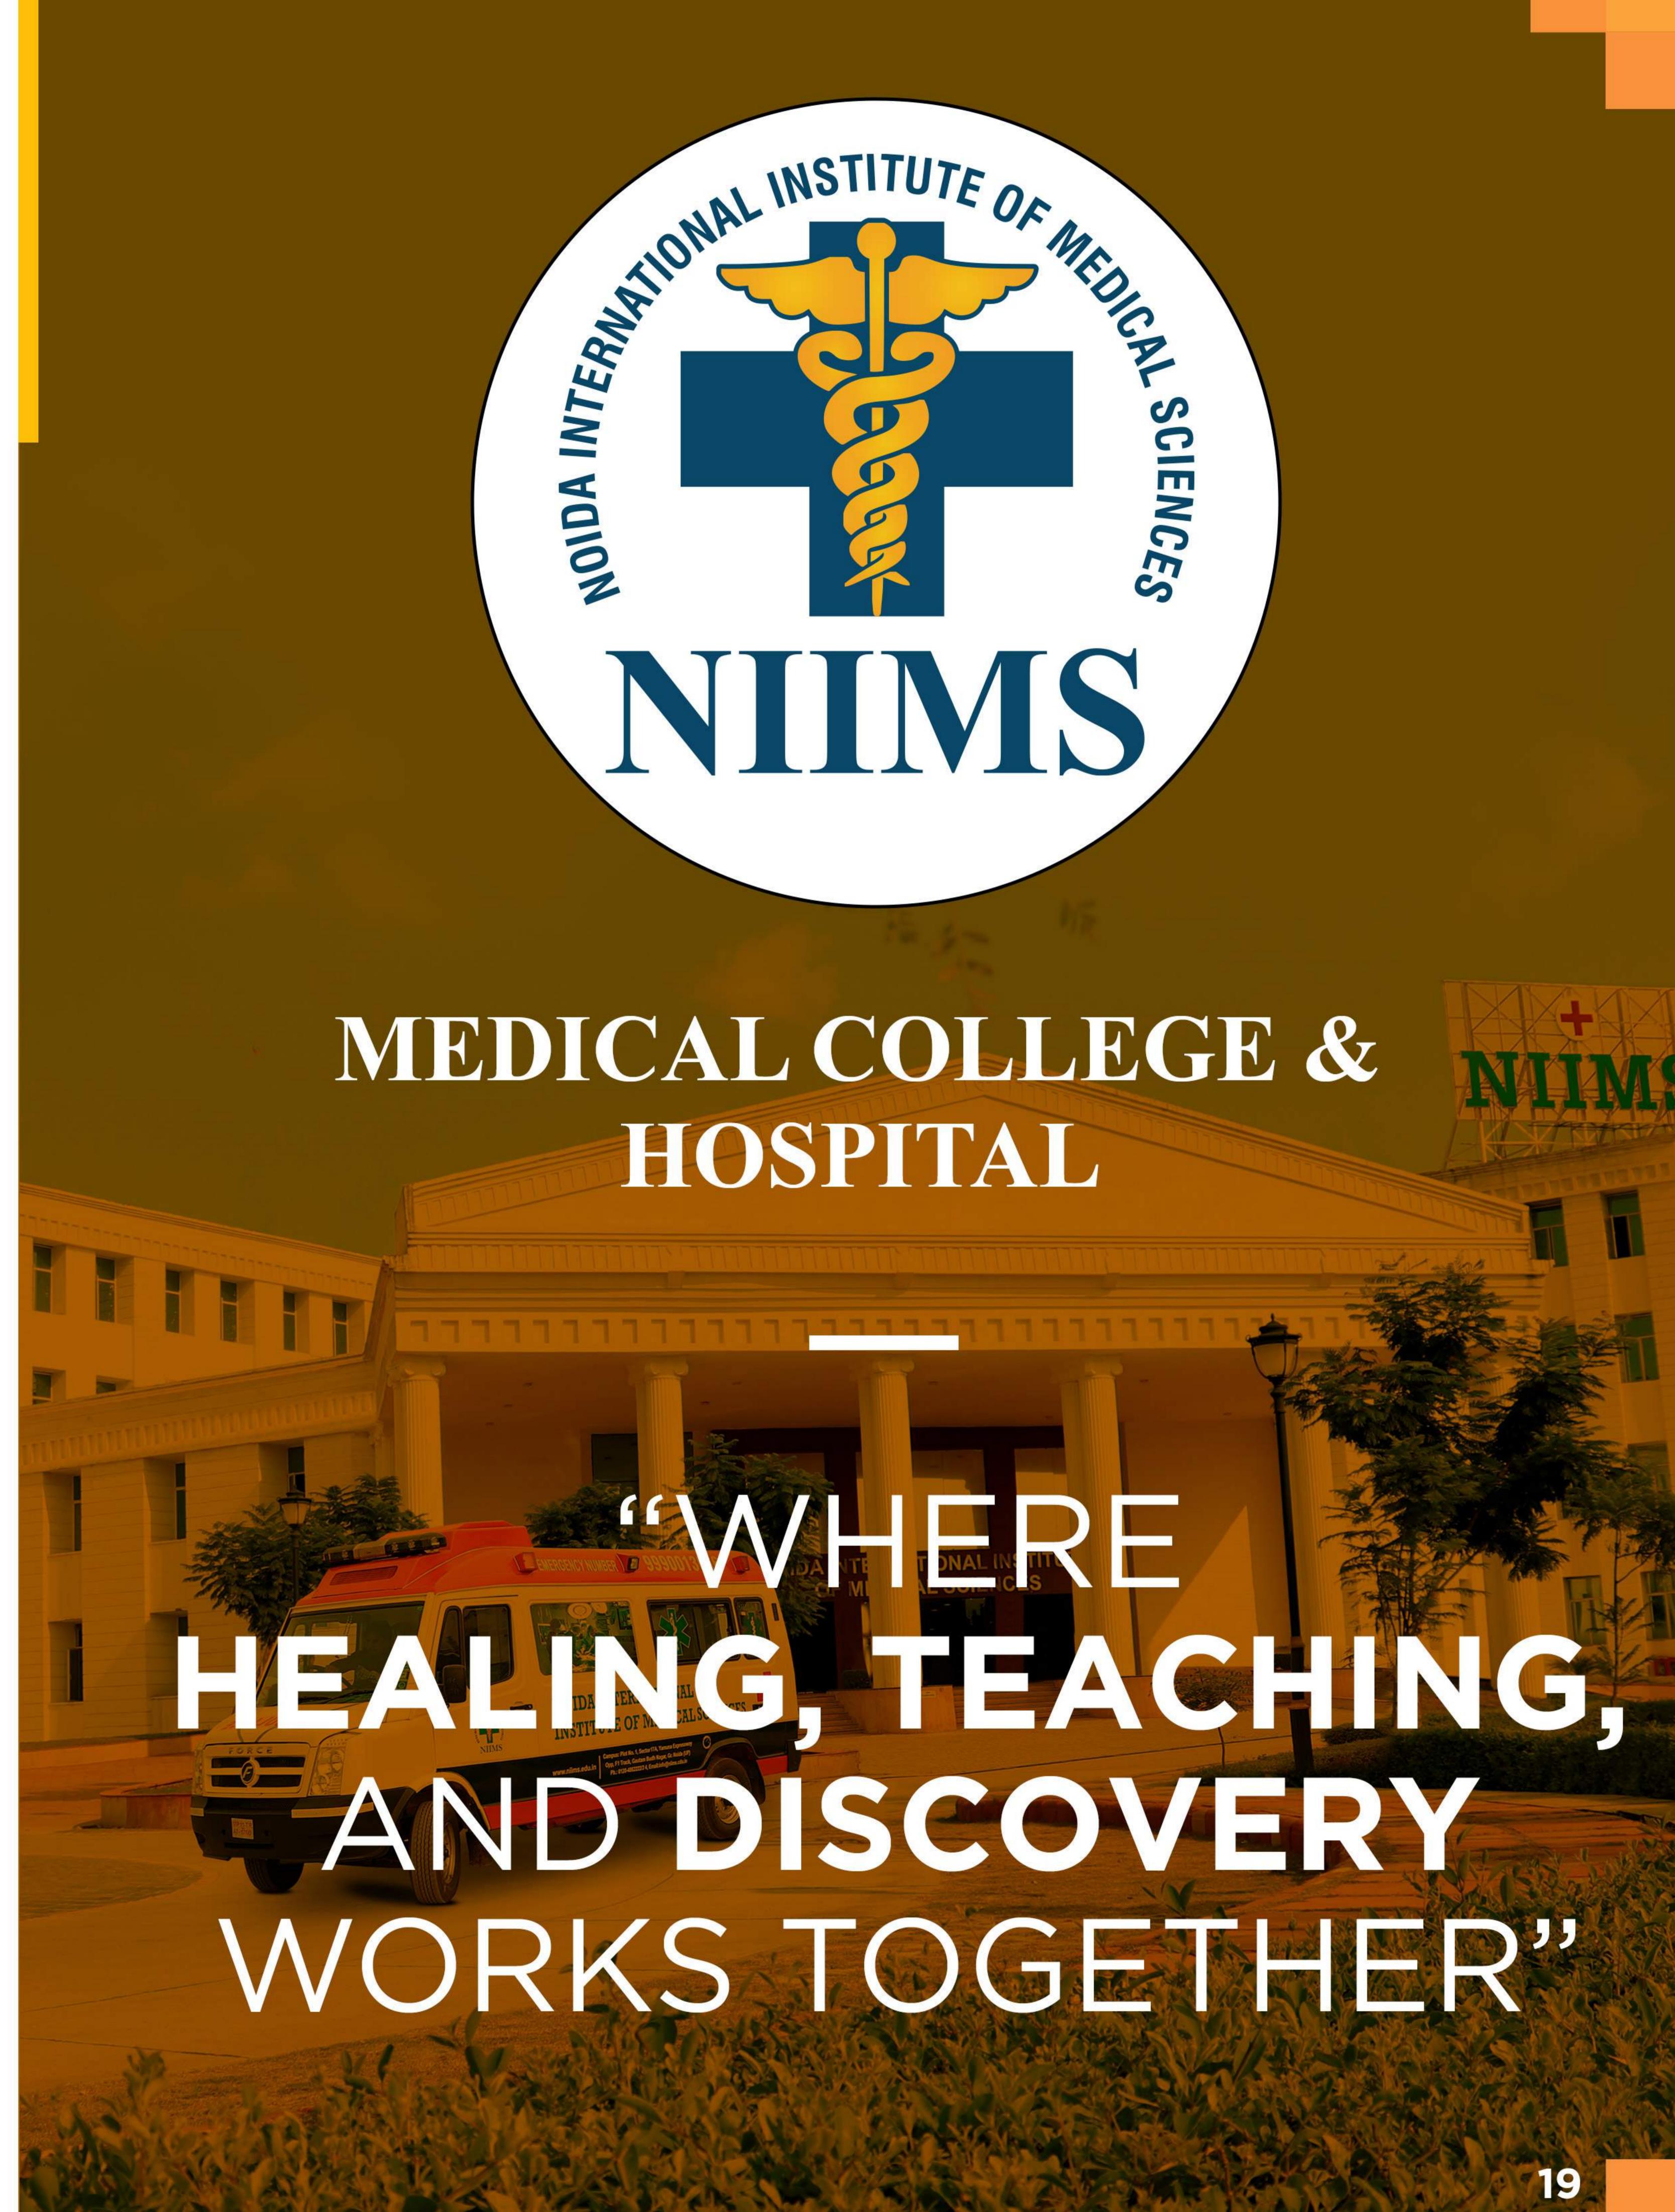

Proof of your address at the University and overseas

Passport size photographs, any other documents requested by the bank.

POST ARRIVAL INFORMATION FOR INTERNATIONAL STUDENTS:

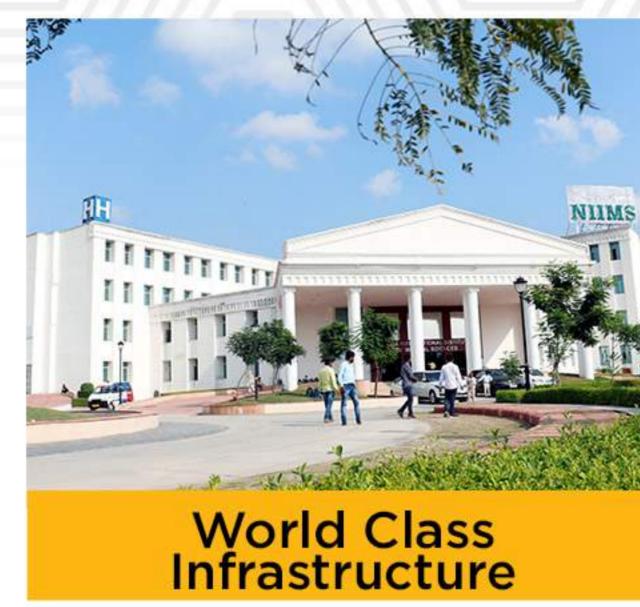

Students should make sure about the following points after arriving in India

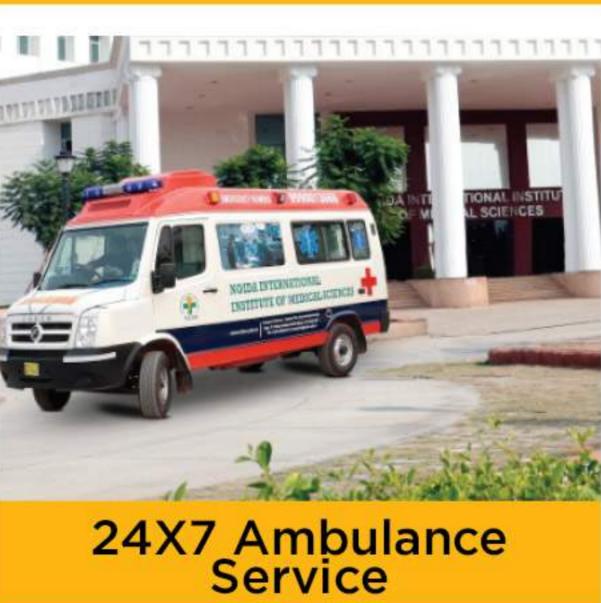

- After arriving at Indira Gandhi International Airport, University will arrange Airport Pickup for Students who have shared their flight details with International cell.
- Students will report to the International Division of NIU along with all the required documents and meet with the reporting officer.
- Students will fill the registration form and submit the required documents. The submitted documents will be checked and verified, and if required student will be advised to obtain Equivalence Certificate from Association of Indian Universities (AIU).
- It is a mandatory for all international students except those from Nepal and Bhutan to get their student Visa registered at FRRO/FRO Noida or New Delhi within 14 days of arrival in India. The University will guide and assist students with all the required processes.
- Students joining the university after a prescribed time period may be denied admission.
- It is the prime responsibility of the student to visit the International Relations Department in time to complete the required documentations so that no fine is levied against them.

ABOUT NOIDA INTERNATIONAL INSTITUTE OF MEDICAL SCIENCES

NIU has been a strong advocate of uplifting the medical infrastructure in the country and to prove its commitment towards providing affordable healthcare facilities to the masses, Noida International Institute of Medical Sciences was set up as a part of NIU. The University also offers a variety of Allied Health courses to produce skilled medical professionals who can help elevate the quality of healthcare services provided globally.

PROGRAMME OFFERED

Medical (MBBS)

Work hard to make it happen. What you learn today will save someone's life tomorrow.

Bachelor of Medicine and Bachelor of Surgery (MBBS), is a professional medical degree for those who dream of becoming a certified medical practitioner. MBBS syllabus includes study of a range of specialties that include anatomy, pathology, physical health & rehabilitation, paediatrics, surgery and much more. An MBBS degree holder can choose a specialty for practising medicine by further studying a specific subject in majors. Career specialties of MBBS students can include Cardiology, Gynecology, Organ Transplant, general surgery, etc.

Doctors can work at various employment areas that include polyclinics, hospitals, health centres and nursing homes. MBBS degree holders can also work at medical colleges, research institutes, non-profit organisations, pharmaceutical and biotechnology companies, and can also proceed towards starting private practice.

Nursing and Allied Health Sciences

The School of Allied Health Sciences associated with in-campus 350+ bedded NIIMS multispeciality hospital has been set up to improve the health and wellbeing of masses through exemplary and culturally sensitive teaching, and innovative research. It envisages to produce a diverse, interprofessional skilled workforce of health care practitioners, educators, researchers and health care leaders.
