ABOUT

The Alumni Association plays an important role in helping to shape the future of our university by representing the views of its members and contributing to build an engaged and supportive alumni community appropriate to a world class university. Its influence and activities are pivotal in the development of both the global alumni community and the experience of NIU's students today. The Noida International University Alumni Association (NIUAA) helps in bringing together the alumni community on a common platform to build a channel of personal and professional support to members of this association.

The Alumni Association in close collaboration with the University's Development and Alumni Relations office organizes a wide range of events – some social, some knowledge sharing, and some cultural & celebratory events.
