Detailed discussions were held towards initiating the process of development of quality benchmarks for academic and administrative activities of the University. In this regard following decisions were taken:

Agenda Item 01: Review of Previous Work

The review of previous work was done and discussions were held about the difficulties and shortcomings encountered during the last semester. These will be taken care in the coming semester. All the departments have been asked to complete their previous semester work positively by 10th of July and be prepared for the audit.

Agenda Item 02: Choice Based Credit System implementation in the University

The coordinator IQAC informed the members that University is on the threshold of unfolding introduction of Choice Based Credit System (CBCS) at UG and PG level for which the IQAC under the chairmanship of Vice chancellor has been paving the way for the last one year. Now that initiative will be further pushed by departments to sensitize teachers and other stake holders in this direction and prepare a draft regulation for systematic introduction of CBCS. Members were informed to chalk out various committees for implementation of CBCS in its true spirit.
