

## Dr. Devesh Kumar Singh

### Chairman | Noida International University

To fulfil his persistent drive that every child must get the right to equal education and quality healthcare, Dr. Devesh Kumar Singh, Hon'ble Chairman, Noida International University decided to pursue a degree in medicine and surgery from Bharati Vidyapeeth University. In 2013, he successfully completed his doctorate and took the reins of university under his able and dynamic leadership. Since, then the university has grown into an ecosystem of education for all that amounts to international standards. He has visualized NIU to be recognized as a global educational institution disseminating latest trends of knowledge through cutting-edge technologies and innovative methodologies, thereby producing excellent human resource and intellectually stimulating environment for young scholars and academicians. His vision extends and reflects further in the vision of all the 12 schools of NIU in addition to the Department of Sports.

Pursuing his long-term vision and commitment of preserving and promoting a good health care system for everyone, Dr. Devesh Kumar Singh recently, flagged off his dream project Noida International Institute of Medical sciences (NIIMS) that aims to provide the best healthcare facilities along with latest equipments and state-of-the-art medical services for the community not just at local but global level. The NIIMS Medical College is currently running its first batch of MBBS class of 2020 for 150 students, which could not have been possible without the strategic directions of Dr. Devesh Kumar Singh. Pursuing his long-term vision and commitment of preserving and promoting the green movement, he also oversees the Responsible Green Developer's Movement (RGDM) set-up through DAH Greentech.

Dr. Devesh Kumar Singh belonging to high profile family of Uttar Pradesh is a thorough gentleman. He strongly advocates good health and practices a strict fitness regimen in his daily schedule, himself becoming a role model of "good health" for young generation to follow. He always encourages his academicians fraternity to delve into promising ventures for the betterment of children and youth of the nation. His contributions for the NIU are noteworthy and have earned several awards and accolades for the university.
